APPROVAL OF ORDINANCE 2011-07 ADOPTING THE ATK ECONOMIC DEVELOPMENT PROJECT AREA PLAN, AS APPROVED BY THE CLEARFIELD COMMUNITY DEVELOPMENT AND RENEWAL AGENCY (CDRA), AS THE OFFICIAL ECONOMIC DEVELOPMENT PROJECT AREA PLAN FOR THE ATK ECONOMIC DEVELOPMENT PROJECT AREA AND DIRECTING THAT NOTICE OF THE ADOPTION BE GIVEN AS REQUIRED BY STATUTE

Clearfield City can best serve the needs of its residents and business owners by continuing to foster and support quality economic development within its borders by embracing and encouraging the City's manufacturing heritage. Alliant Techsystems Inc. ("ATK") is making a substantial investment in Clearfield by expanding their current operations here which would result in a significant number of new jobs in the community and the City has agreed to assist with incentivizing ATK for its investment in Clearfield. This Ordinance formally adopted the economic development project area plan for the ATK Economic Development Project Area as approved by the Board of the Clearfield Community Development and Renewal Agency (CDRA) and pursuant to Title 17C, Chapter 3 of the Utah Code.

Councilmember Sprague moved to approve Ordinance 2011-07 adopting the ATK Economic Development Project Area Plan, as approved by the Clearfield Community Development and Renewal Agency (CDRA), as the official Economic Development Project Area Plan for the ATK Economic Development Project Area and directing that notice of the adoption be given as required by statute and authorize the Mayor's signature to any necessary documents, seconded by Councilmember Shepherd. The motion carried upon the following vote: Voting AYE – Councilmembers Fryer, Murray, Shepherd and Sprague. Voting NAY – None. Councilmember Young was not present for the vote.

Mayor Wood explained Tracy Heun, the City's previous Community Services Director, recently retired. He stated an extensive recruitment process had taken place and explained the process taken by the City to narrow the field of candidates. He stated the offer to the individual would be made by Interim City Manager at the advice and consent of the City Council. He expressed appreciation for Donna Russell who had been serving as the Interim Community Service Director while the recruitment was taking place.

Adam Lenhard expressed his desire to appoint Eric Howes as the City's new Community Services Director.

DISCUSSION AND CONSIDERATION OF THE APPROVAL OF RESOLUTION 2011R-13 AUTHORIZING AN INTERLOCAL COOPERATION AGREEMENT WITH LAYTON CITY FOR CLEARFIELD TO PROVIDE CULINARY WATER AND STORM WATER DRAINAGE UTILITY SERVICES FOR NES LAYTON BUILDING (1700 NORTH 2200 WEST, LAYTON, UTAH)

Valerie Claussen, Acting Community Development Director, stated on May 31, 2011, the Community Development and Public Works departments received a formal request from Layton City for the consideration of providing culinary water and storm drain utility services to NES Layton Building. She explained it becomes cost prohibitive for Layton to serve the property with all the essential utilities at this time, specifically the water and storm drain, given its location. She pointed out the main items included in the development agreement were the culinary water services and the storm drain. She stated Layton City included Clearfield in discussion with the applicant and will continue with the coordination of the inspections at the time of construction. She noted concerns were raised relating to the site plan approval for the second phase. She said it was agreed that the fencing requirement would be met prior to the certificate of occupancy and Clearfield would be allowed site plan review of the second phase to ensure it still met applicable requirements. She indicated escrow improvements would be with Layton City; however, it would continue to be coordinated with the City.

Councilmember Sprague moved to approve Resolution 2011R-13 authorizing an Interlocal Cooperation Agreement with Layton City to provide culinary water and storm water drainage utility services to NES Layton Building located at 1700 North 2200 West, Layton, and authorize the Mayor's signature to any necessary documents, seconded by

Councilmember Fryer. The motion carried upon the following vote: Voting AYE – Councilmembers Fryer, Murray, Shepherd and Sprague. Voting NAY – None. Councilmember Young was not present for the vote.

APPROVAL OF RESOLUTION 2011R-14 AUTHORIZING A NEW OFFICIAL CORPORATE SEAL FOR THE CITY

The City Council recently adopted a new logo to better reflect its support of Hill Air Force Base and its related industries as well as the tremendous manufacturing presence in the City. The City's current official corporate seal incorporates the old logo so it has become necessary to design and approve a new official corporate seal.

Councilmember Fryer moved to approve Resolution 2011R-14 authorizing a new official corporate seal for the City and authorize the Mayor's signature to any necessary documents, seconded by Councilmember Sprague. The motion carried upon the following vote: Voting AYE – Councilmembers Fryer, Murray, Shepherd and Sprague. Voting NAY – None. Councilmember Young was not present for the vote.

Councilmember Shepherd moved to adjourn the regular session and reconvene in a work session at 7:44 p.m., seconded by Councilmember Murray. All Voting AYE.

Clearfield Police Sgt. Kyle Jeffries Receives Prestigious Award
(Lynda, include photo)

One of Clearfield Police Department's own was recently recognized by the United States Attorney's Office, District of Utah for "Superior Performance as a Local Law Enforcement Officer."

According to the citation read at the July award ceremony by Deputy U.S. Attorney Drew Yeates, Sgt. Kyle Jeffries received this award "due to his outstanding police work and relentless investigation of four troublesome brothers in Davis County."

"In particular, this award recognizes Kyle's dedication and superior performance in the investigation of three robberies in Davis County, including a retailer in Clinton, a retailer in Layton, and a restaurant in Sunset," cited Yeates.

While investigating a separate case in Clearfield, where a man had been shot, robbed in his own driveway, and left for dead, Sgt. Jeffries was able to link that robbery and attempted homicide to a drive-by shooting and the three armed robberies in Layton, Clinton and Sunset.

Yeates went on to recount, "even though all three robberies occurred outside of Clearfield, Kyle took the initiative of leading the investigations. He and his fellow officers left no stone unturned."

Sgt. Jeffries was able to develop a strong circumstantial case against the suspect, Ramon Rivera.

Ramon was charged federally for the robberies, was convicted by a jury on all eight counts, and was sentenced to serve 57 years in federal prison. In addition, Ramon was sentenced to five years to life in state court for the robbery and attempted homicide in Clearfield.

Sgt. Jeffries has been with the Clearfield Police Department since 1999 and has worked in the Traffic Division as a Patrol Officer and Traffic Officer, as an Undercover Narcotics Officer, Clearfield SWAT team member, a detective in the Investigations Division, and was recently promoted to Patrol Sergeant.

Thank you, Sgt. Jeffries, for making Davis County a safer place!
