**SCHEDULED ITEMS:**

1. CITIZEN COMMENTS
  
2. UPDATE ON THE NORTH DAVIS SEWER DISTRICT BY COUNCILMEMBER BUSH

BACKGROUND: Councilmember Bush represents the City on the Board of the North Davis Sewer District. He will be updating the Council regarding issues and/or projects specific to the Sewer District.

3. CONSIDER APPROVAL OF THE AWARD OF BID TO LEON POULSEN CONSTRUCTION COMPANY FOR THE BARLOW STREET STORM DRAIN IMPROVEMENT PROJECT

BACKGROUND: Bids were received from seven construction companies to install a new 24 inch storm drain on Barlow Street from Barlow Circle to 600 North Street. The lowest responsible bid was received from Leon Poulsen Construction Company with the bid of \$161,743.75.

RECOMMENDATION: Approve the award of bid to Leon Poulsen Construction Company for the Barlow Street Storm Drain Improvement Project for the bid amount of \$161,743.75 and approve funding of the project for the bid amount of \$161,743.75 with contingency and engineering costs of \$48,256.25 for a total project cost of \$210,000.00; and authorize the Mayor's signature to any necessary documents.

4. CONSIDER APPROVAL OF THE AWARD OF BID TO BRINKERHOFF EXCAVATING FOR THE FREEPORT SANITARY SEWER PIPELINE REPLACEMENT ON "E" STREET FROM 1<sup>ST</sup> STREET TO 3<sup>RD</sup> STREET

BACKGROUND: Bids were received from five construction companies to make the sanitary sewer improvements on "E" Street in the Freeport Center from 1<sup>st</sup> Street to 3<sup>rd</sup> Street. The proposed improvements consist of installing a new 12 inch PVC sewer line to replace the existing 10 inch sewer line. The lowest responsible bid was received from Brinkerhoff Excavating with the bid of \$181,760.00

RECOMMENDATION: Approve the award of bid to Brinkerhoff Excavating for the Freeport "E" Street sanitary sewer improvement project for the bid amount of \$181,760.00 and approve funding of the project for the bid amount of \$181,760.00 with contingency and engineering costs of \$50,240.00 for a total project cost of \$232,000.00; and authorize the Mayor's signature to any necessary documents.

5. CONSIDER APPROVAL OF RESOLUTION 2013R-14 AUTHORIZING THE COOPERATION AGREEMENT WITH THE UTAH DEPARTMENT OF TRANSPORTATION (UDOT) ALLOWING THE CITY TO PARTICIPATE IN THE STATE PEDESTRIAN SAFETY SIDEWALK PROGRAM

BACKGROUND: Clearfield City recently submitted an application to the Utah Department of Transportation (UDOT) Region I to receive State Pedestrian Safety Sidewalk funding to install sidewalk on the north side of SR 107 (300 North Street) from 75 West to 94 West. The City received notification from UDOT it was approved to receive \$5,625.00 for the installation of the sidewalk. The City is required to enter into an agreement with UDOT to receive the approved funding for the sidewalk improvements on SR 107 from 75 West to 94 West.

RECOMMENDATION: Approve the Cooperative Agreement with the Utah Department of Transportation (UDOT) for the Pedestrian Safety Sidewalk Program to allow the installation of sidewalk on SR 107 from 75 West to 94 West and authorize the Mayor's signature to any necessary documents.

6. CONSIDER APPROVAL OF RESOLUTION 2013R-15 APPOINTING POLL WORKERS AND SETTING THE POLLING PLACES FOR THE MUNICIPAL ELECTIONS BEING HELD IN AUGUST AND NOVEMBER

BACKGROUND: State Law (U.C.A. § 20A-5-602 and § 20A-5-301) requires the City Council to appoint poll workers and set the polling places prior to a municipal election. The Municipal Primary Election will be held August 13, 2013 and the Municipal General Election will be held on November 5, 2013.

RECOMMENDATION: Approve Resolution 2013R-15 appointing poll workers and setting the polling places for the Municipal Elections as recommended by the City Recorder and allow the City Recorder to make additions and corrections as needed and authorize the Mayor's signature to any necessary documents.

DISCUSSION ON THE REOPEN BUDGET ITEMS FOR FISCAL YEAR 2013

Bob Wylie, Administrative Services Director, directed the Council to the memo included in the agenda packet specific to reopening the 2012/2013 fiscal year budget and reviewed expenditures that would be addressed by reopening the budget. He pointed out some repairs at the Aquatic Center were being funded by the General Fund. He stated the improvements to the West Park Village Park were being funded by the Parks Capital Improvement Fund. He indicated escrow funds had been received and used in conjunction with impact fees for the improvements to Pacific Park detention basin. He also reviewed the items specific to the CDRA which would be addressed with reopening the budget.

## DISCUSSION ON THE 2013/2014 FISCAL YEAR BUDGET

Bob Wylie, Administrative Services Director, reminded the councilmembers that the proposed 2013/2014 fiscal year budget was in Dropbox for their review. He reported Davis County had set the Certified Tax Rate at 0.0018, which maintained the same level of revenue. He explained the two portions, the debt service and the general purpose, that made up the Certified Tax Rate.

He briefly reviewed the changes made to the budget since the Council adopted the tentative budget:

- Training for Courts
- Hardware equipment purchases
- Remaining funds from landscaping near the Fire Station
- CDBG pass through
- Grant funds for PD purchases
- \$1.2 million for the 1.5 million gallon water tank
- Funds designated for web page design
- Windows and improvements for the Community Arts Center
- Tables and garbage cans to be placed in City parks

Councilmember Bush inquired if benches needed to be identified as an additional expenditure in conjunction with the tables and garbage cans for the City parks. Mr. Wylie believed the benches were attached to the picnic tables. Eric Howes, Community Services Director, responded benches were attached to the tables; however, park benches were a separate item which had been approved since the tentative budget was adopted. Brian Brower, City Attorney, suggested the inclusion of benches be specified during the motion to approve the budget.

Mr. Wylie commented the only change specific to the CDRA was the allocating of the remaining fifty percent of the funds needed to complete the Retail Leakage Study.

## 200 SOUTH CITIZENS MEETING

Mayor Wood explained the format of the meeting. Adam Lenhard, City Manager, shared a visual presentation regarding the street improvements to 200 South in conjunction with the SR 193 extension. He indicated City staff was aware of the impact and inconveniences the SR 193 extension had brought to residents living on 200 South. He reported the project was moving quickly and believed it would be nearly completed in eight or nine more weeks.

Mr. Lenhard stated he would address two concerns previously expressed by residents living on or near 200 South: the width of 200 South and communication from City staff. He reported the current asphalt width was 31 feet wide and commented the City's current width standard was 36 feet; however, there wasn't the room to accommodate anything wider. He explained the design process to better illustrate how the narrow road became the best option. Mr. Lenhard apologized on behalf of the City for not keeping the residents living on 200 South better informed. He complimented UDOT for keeping lines of communication open between itself and the residents regarding the SR 193 extension configuration.

Mr. Lenhard explained 200 South had long been identified as one of the worst roads within the City and mentioned the improvements were impeded due to the timing of extension of SR 193 and a sewer line replacement. He reviewed the history specific to UDOT's proposal for 200 South and the City's need to make improvements to its infrastructure prior to UDOT's project. He shared the City's project goals:

- New street surface
- Upgrade/replace sewer line
- Curb/gutter on south side of 200 South. Mr. Lenhard explained the important function of curb/gutter for roads.
- Preserve the buffer against SR 193. He pointed out there wasn't much of a separation between the wall barrier and the road.

Mr. Lenhard shared a timeline specific to the 200 South reconstruction identifying what had been completed in each separate phase. He also reviewed the design alternatives presented by UDOT. Mr. Lenhard expressed his opinion inconveniences to residents would be eliminated when the construction was complete and inquired what the City could have done better. He shared the blueprint illustrating infrastructure under the street and the proposed costs associated with all options considered. He believed the Council and staff chose the option which was most practical and economically feasible preserving the buffer as much as possible.

Marlon Wilde, resident, expressed his opinion the City had violated its own code specific to street improvements. Mayor Wood commented 200 South was in such poor condition and possible improvements had been discussed by previous councils for as long as he could remember and none of them could determine the best opportunity to prioritize the needed improvements until the SR 193 extension was proposed. He expressed his opinion the additional width was not necessary because no homes were on the south side of 200 South. Mr. Wilde expressed concern the City had lowered its standards specific to 200 South and inquired what improvements could be done at this late date.

A discussion took place regarding the challenges to the current width of 200 South, 150 South now becoming a "through" street due to 200 South becoming a cul-de-sac and the residents' desires to eliminate the trail and landscaping buffer component next to the sound wall in order to facilitate the widening of the street.

David Hansen, resident, expressed his disappointment that a 31 foot road was a "standard". He reported he had been told by UDOT, staff and councilmembers that 200 South would remain as it was and took exception to the fact that the completed road was now narrower than any other road in the City. He believed the residents on 200 South had been shortchanged to accommodate the SR 193 extension.

Mr. Wilde suggested the Council consider its options now that residents had voiced concern and propose possible options for improving the width of the road to the residents at a later date.

#### **DISCUSSION ON THE CLEARFIELD STATION PROJECT –TABLED**

The applicant requested the agenda item be postponed until a later date, yet to be determined.

***CONSENT AGENDA***

APPROVAL OF RESOLUTION 2013R-12 SETTING THE CERTIFIED TAX RATE AND RESOLUTION 2013R-13 ADOPTING THE FISCAL YEAR 2013/2014 BUDGET

The Clearfield City Council held a public hearing on the proposed budget on June 11, 2013. City staff prepared and submitted to the Council a balanced final budget for fiscal year 2013/2014 which would begin July 1, 2013 and end on June 30, 2014. The certified tax rate would be set at 0.0018 as determined by the Utah State Tax Commission and Davis County.

APPROVAL OF ORDINANCE 2013-09 AMENDING THE CONSOLIDATED FEE SCHEDULE

Enactment of ordinances governing impact fees and alarms fees created a need to update the Consolidated Fee Schedule. Additionally, recent studies of fees associated with the cemetery, Aquatic Center, GIS, dog licensing and legal discovery identified a need to update certain other fees.

APPROVAL OF 2013R-10 ACTING AS THE GOVERNING AUTHORITY OF THE NORTH DAVIS FIRE DISTRICT ADOPTING AND CERTIFYING ITS TAX RATE FOR THE 2013 TAXABLE YEAR

The Clearfield City Council acted as the governing authority for the North Davis Fire District (NDFD). The Administrative Control Board of the NDFD desired to establish a certified tax rate of .001444 for the 2014 taxable year for the purpose of funding operating expenses and capital improvements and to provide fire protection, emergency medical and ambulance services and consolidated 911 and emergency dispatch services.

**Councilmember LeBaron moved to approve the consent agenda items presented by staff as listed above with the inclusion of benches as an expenditure in the 2013/2014 fiscal year budget as part of the approval of Resolution 2013R-13 and authorize the Mayor's signature to any necessary documents, seconded by Councilmember Bush. The motion carried upon the following vote: Voting AYE – Councilmembers Bush, LeBaron and Shepherd. Voting NO – None. Councilmembers Murray and Young were not present for the vote.**

## COMMUNICATION ITEMS

### ***Mayor Wood***

1. Informed the Council he had been involved with Boys State in previous years. He stated this year his calendar didn't allow his participation and he expressed appreciation to Councilmembers LeBaron and Shepherd, Nancy Dean, City Recorder, and Adam Lenhard, City Manager, for representing him and Clearfield City at Boys State this year.
2. Announced as in years past the City would be hosting a dinner for dignitaries from Hill Air Force Base on Thursday, July 4, 2013, 7:15 p.m. at Fisher Park. He announced General Baker and his family would be in attendance and invited members of the Council to attend that evening and requested they RSVP to him directly.

Attn: Mayor Don Wood and City Council  
Proj: **Freeport Sanitary Sewer Pipeline Replacement on E Street from 1<sup>st</sup> to 3<sup>rd</sup> Street Improvement Project**  
Subj: Bid Results, Bid Proposal Tabulation & Recommendation

Dear Mayor Wood and Council Members,

The “Bid Opening” for the above referenced project was conducted this afternoon. The lowest responsible bidder is Brinkerhoff Excavating of Ogden, Utah.

Enclosed are the “Bid Results” and “Bid Proposal Tabulation”. Brinkerhoff Excavating’s bid was reviewed and found to meet the bidding conditions required in the Contract Documents.

Since Brinkerhoff Excavating’s bid is the low bid for the advertised project, and their bid meets the conditions of the Contract Documents, I herewith recommend award of the above referenced project in the amount of \$181,760.00 to Brinkerhoff Excavating.

Should you have any questions or desire additional information concerning the contractor or his bid, please feel free to contact our office at your earliest convenience.

Sincerely,  
**CEC, Civil Engineering Consultants, PLLC.**

# CLEARFIELD CITY RESOLUTION 2013R-14

## A RESOLUTION AUTHORIZING AN INTERLOCAL AGREEMENT WITH THE UTAH DEPARTMENT OF TRANSPORTATION FOR SIDEWALK CONSTRUCTION ON SR-107 FROM 75 WEST TO 94 WEST

WHEREAS, in the interest of public safety, the Utah Department of Transportation (“UDOT”) and the City desire to construct a pedestrian safety project on SR-107 (300 North) in Clearfield; and

WHEREAS, funds for such sidewalk projects have been made available by appropriation of the Utah State Legislature, to be distributed by UDOT; and

WHEREAS, said funds are available to the City for this project on a 75% UDOT participation and 25% local match basis; and

WHEREAS, the parties find it necessary and prudent to enter into an Interlocal Cooperative Agreement in order to establish the terms and conditions under which the project will be performed and funds will be provided by UDOT to the City;

NOW THEREFORE BE IT RESOLVED by the Clearfield City Council that the attached Interlocal Cooperative Agreement with the Utah Department of Transportation for construction of a pedestrian safety project on SR-107 between 75 West and 94 West in Clearfield is hereby approved and the Mayor is duly authorized to execute the agreement with an effective date of July 1, 2013.

Passed and adopted by the City Council at its regular meeting on the 9<sup>th</sup> day of July, 2013.

Dear Mayor Wood:

Re: Pedestrian Safety Sidewalk Program FY14

I am pleased to announce that your City has been chosen to receive funds through our Safe Sidewalk Program for the sidewalk improvements on SR-107 from 75 West to 94 West.

The project was approved for \$7,500.00 of which the Utah Department of Transportation (UDOT) will participate at 75% which amounts to \$5,625.00 outlined in the Cooperative Agreement. Attached please find three copies of a Cooperative Agreement for your review and execution by the proper City official. Please review, sign, notarize and return all three original copies to the UDOT Region One office to be executed for further processing. **Do not** fill in the date on the front page of the agreement as that will be done when UDOT completes the Cooperative Agreement execution.

You will be authorized to begin work on your project only after you have completed the following:

1. Sign and date the three copies of the attached Agreements in front of a Notary, have the Notary stamp and sign for each signature and return them to this office for UDOT processing. Please make a copy for your files.
2. Submit design plans for approval as stated in the cooperative agreement to: Nathan Peterson, Project Manager, 801-620-1684 or e-mail to [Natepeterson@utah.gov](mailto:Natepeterson@utah.gov), Leona Dalley, Region One Safe Sidewalk Coordinator, 801-620-1635 email to [ldalley@utah.gov](mailto:ldalley@utah.gov).
3. Prepare and execute Agreements to reimburse 50% of the cost of any utility that will need to be relocated as stated in the Cooperative Agreement. Please contact Tucker Doak, Region One Utilities and Railroads Engineering Coordinator, at 801-620-1660 for assistance in preparing the Reimbursement Agreement.

4. Once plans are approved, the contractor performing the work will need to contact Jay Genereux at 801-620-1639 or e-mail [jgenereux@utah.gov](mailto:jgenereux@utah.gov) to obtain an Encroachment Permit.
5. Contact Nathan Peterson or Leona Dalley at least one working day prior to starting construction.

We have found that this has been a very successful program in helping communities increase safety for school age children getting to and from school. We encourage you to take full opportunity of these funds and complete your project in a timely manner. If the funds have not been used within **two years** of the executed Cooperative Agreement, we will return the funds back into the program and use those funds in another community.

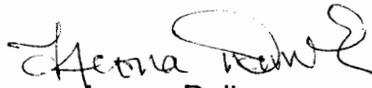

If you have any questions in regard to this program please feel free to contact me regarding this matter.

Sincerely,

Nathan Peterson, P.E.

## COOPERATIVE AGREEMENT

**THIS COOPERATIVE AGREEMENT** made and entered into this \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, by and between the **UTAH DEPARTMENT OF TRANSPORTATION**, hereinafter referred to as the “**UDOT**,” and the City of Clearfield, a Municipal Corporation of the State of Utah, hereinafter referred to as the “**CITY**.”

### **WITNESSETH:**

**WHEREAS**, in the interest of public safety, it is the desire of the parties hereto to construct and thereafter maintain a pedestrian safety project on SR-107 at the location(s) described as follows: 75 West to 94 West and,

**WHEREAS**, funds for the construction of pedestrian safety projects have been made available by an appropriation from the Utah State Legislature for distribution by the **UDOT**; and

**WHEREAS**, it is the intent of the Utah State Legislature that participation in the pedestrian safety project be on a 75% State, 25% Local match basis; and

**WHEREAS**, the **UDOT** has determined by formal finding that payment for said work on public right-of-way is not in violation of the laws of the State or any legal contract with the **CITY**.

**THIS COOPERATIVE AGREEMENT** is made to set out the terms and conditions where under said work shall be performed.

**NOW THEREFORE**, it is agreed by and between the parties hereto as follows:

1. The **CITY** with its regular engineering and construction forces at the standard schedule of wages and working hours and in accordance with the terms of its agreement with such employees, or through qualified contractors with whom it has obtained contracts upon appropriate solicitation in accordance with the laws of the State of Utah, shall perform the necessary field and office engineering, furnish all materials and perform the construction work covered by this agreement.
2. In accordance with Utah Code Annotated 1953, as amended effective July 1, 2000, 72-6-116, Regulation of Utilities – Relocation of Utilities, the **CITY** is required to pay, as part of the total project cost, 50% of the cost of any utility

facility relocations required within the State highway right-of-way, and the utility company is required to pay the remainder of the cost of relocation. The **CITY** will determine, as part of the design of the project, those utility companies with facilities that will require relocation and the cost thereof, and will execute a Utility Relocation – 50% Reimbursement Agreement with those companies prior to advertising the project for bids. Contact Tucker Doak, Region One Utilities and Railroads Engineering Coordinator, telephone number 801-620-1660 for assistance in preparing the Reimbursement Agreement.

3. All construction work performed by the **CITY** or its contractor shall conform to **UDOT** standards. **CITY** construction may conform to local standards if they are equal to or greater than the **UDOT** standards.
4. All construction performed under this agreement shall be barrier free to wheelchairs at crosswalks and intersections according to State and Local standards.
5. The **CITY** shall submit plans for the work covered by this agreement to **UDOT** Region One Sidewalk Coordinator for review and approval. Upon approval of the plans, and before commencing any construction within the highway right-of-way, the **CITY** or its contractor shall obtain a Highway Right-of-Way Encroachment Permit from the Region Jay Genereux, Encroachment and Permits Officer at 801-620-1639.
6. The **CITY** will participate a minimum of 25% of said project. **CITY** participation can be through financial contribution, preliminary or construction engineering costs, donated labor or equipment, etc. Supporting documentation will be required to support all costs.
7. The total estimated cost of the pedestrian safety project including **CITY** participation is as follows:

<b>UDOT Funds (Allocated Amount)</b>	<u>\$ 5,625.00</u>
<b>CITY Match (25% minimum of Total)</b>	<u>\$ 1,875.00</u>
<b>TOTAL PROJECT</b>	<u>\$ 7,500.00</u>

8. Upon approval of the pedestrian safety project plans and satisfactory evidence that the project is ready to proceed, the **UDOT** will deliver to the **CITY** a lump sum amount of \$4,218.75 75% of the **UDOT** funds for the construction of the facilities covered by this cooperative agreement. Upon completion of construction and final inspection and approval by **UDOT**, the remaining 25% of **UDOT** funds \$1,406.25 will be delivered to the **CITY** bringing the total **UDOT**

funds to \$5,625.00. This amount is the maximum sum of **UDOT** contribution. **If the project should overrun the estimated project amount contained herein, the CITY's match shall be revised to cover the additional amount.**

9. The **CITY** will furnish to the **UDOT** a statement upon completion of the project for which the grant was made certifying the amount of State funds expended, verification of **CITY** participation amounts and certification that the project was completed in accordance with the standards and specifications adopted for the project by this cooperative agreement.
10. **UDOT** shall have the right to audit all cost records and accounts of the **CITY** pertaining to this project. Should the audit disclose that the **CITY** expenditures for the project are less than the grant, all unexpended funds shall be refunded promptly to the **UDOT**. For purpose of audit, the **CITY** is required to keep and maintain its records of work covered herein for a minimum of three (3) years after completion of the project.
11. If for any reason, the **CITY** has not commenced construction of said project within a two (2) year time period from **UDOT** Commission approval of the safety project, the **CITY** will relinquish the grant allocation or refund the funds already paid to the **CITY** for the project upon request from the **UDOT**. Upon commencement of the construction, the **CITY** agrees to complete the construction in an expeditious manner and in a reasonable timeframe. Should the **UDOT** determine that the work is not proceeding in an expeditious manner and upon thirty (30) days written notice, it may withdraw said grant and require the **CITY** to refund any portion of the grant funds not expended for approved items at the time of withdrawal.
12. Upon completion of the work covered by this cooperative agreement, the **CITY** shall, either directly or by ordinance, cause any sidewalks covered by this cooperative agreement to be maintained, renewed and/or repaired to perpetuate a secure and non-hazardous pedestrian facility. Said maintenance is to include snow removal.

**IN WITNESS WHEREOF**, the parties hereto have caused this agreement to be executed by its duly authorized officers as of the day and year first above written.
