WFFL CONTACT FOOTBALL Participation Agreement

Dated: _____, 2018

Parents,

This will explain what is involved when signing up for contact football. You must read each item and sign this document before you will be allowed to sign your child up. Contact football through the Wasatch Front Football League, Inc. is different than any other organized sports program that has been offered in this city. We hope this information will help you to decide if contact football is right for your child. Thank you for your time and support of youth sports.

- **FULL CONTACT SPORT:** Your son or daughter will be put through many drills that involve a maximum level of physical contact. We will provide safety equipment that has been NOCSAE certified, helmet, shoulder pads, pants and pads. Our equipment must be used. You will need to provide cleats, a mouth piece and athletic supporter. Uniform jerseys will also be provided. **Many youth find that full contact sports are not what they are looking for after all. Because of this we will extend our refund policy. Refunds (less \$5 service fee) will be available up to the first game. After the first game, NO refunds will be given.**
- **PLAYING TIME:** WFFL league rules state that every child must play a minimum of 5 downs per half, (a down is one play, one snap or kick of the ball, if a penalty is called it is still considered a play) this policy is voided if your child is placed on discipline, sick or injured. An injured child may not play at all. A child placed on discipline, sick or other may play at the coach's discretion, no minimum is required.
- **CONDITIONING:** Conditioning begins the week of July 30th 2018, and runs for 5 days. **Each child is required to have 5 days of conditioning** before they may begin full contact practices. *This can not be missed.* Each conditioning practice will be 45 minutes with 45 minutes of fundamentals, for a total of 90 minutes. Remember to provide water and suitable clothing for these practices. Minimum registration requirements must be met before practicing of any kind may begin. This includes, but is not limited to proof of insurance and current doctors physical.
- **PRACTICES:** Full contact practices will begin August 6, 2017, provided your child has met the conditioning requirements. Full contact practices may not exceed 90 minutes for 5 days a week. These practices are very important to your child and the coaches as this is the only time they can practice together as a team. Parents, please limit your questions to the end of practice. Please do not interrupt a practice to talk with a coach unless there is an emergency. Players arriving late, leaving early or missing a practice may be placed on discipline. Practices can not be missed. It is important to your child that he/she learns all that is necessary to keep him/her safe in a team sport of this nature. Some coaches may be flexible with you for a very special or important event, but most require 100% attendance. It is the WFFL and our city's policy to support the attendance policy.
- **DISCIPLINE:** A player may be placed on discipline for several reasons: Attitude, misconduct, arriving late or leaving early, missing practices and more. Please be considerate to your coaches and contact them if you know in advance of a scheduling problem; this usually helps, however, if a child misses a practice, he/she may be placed on discipline. Being placed on discipline means that your coach will fill out a form that states why this child is on discipline. It is turned into the association director and signed. This form must accompany the player to the playing field, so that the weight master can mark the player correctly on the roster. The coach may at his discretion play the disciplined player, however he does not have to enforce the minimum 10 play requirement.
- **COACHES:** Coaches are carefully selected and trained. All coaches must pass a full background check and interview as well as attend coaching clinics and seminars as required by the WFFL. They put in many more hours than you or your child will in preparation for the football season, and during the course of the season. Please be considerate of this fact. Football is a sport that requires discipline. Please support your coach in this. If your child does not perform his/her responsibilities on the team correctly, he/she may cause injuries to themselves and/or others.
- **LEAGUE RULES:** League Rules that make playing WFFL contact football different are:
Specific city boundaries: Player must live in a designated area to participate in a WFFL association. These are laid out in the league by-laws (www.wffl.com). To play you must be a resident of the city or cities in our association boundaries. Residents are also prohibited from playing in any other association.
Age and Weight Stipulations: The WFFL is very strict in their weight and age categories; if your child does not meet the league requirements, he/she may not play. **Participants will be placed by the association directors onto a team. Parents**

and coaches will NOT make this decision. We will not allow sweating down, or starving a child to stay on a team. Each child will play in the appropriate division as determined by the association director.

Weigh-in & Weight Masters: Every child will be weighed in approximately 30 minutes prior to the game. Each week your child must meet the weight requirements. A designated “Weight Master” will be available at each park, to weigh the participants. This individual will have the power to remove any player who does not meet weight, or is found with illegal equipment. The weight master will monitor the plays, checking that each child receives the minimum plays when applicable.

- **PARTICIPATION AGREEMENT:** I acknowledge and agree to be bound by the WFFL bylaws, rules, regulations, policies and procedures as outlined in the current WFFL bylaws and constitution for the 2017 season, a copy of which may be obtained from my association director or found on the league web site www.wffl.com I understand that it is my responsibility to obtain a copy of the bylaws. By signing this document I hereby recognize and acknowledge that I will assume full responsibility for reading, understanding and adhering to all WFFL bylaws, rules, regulations, policies and procedures. In addition to the WFFL policies, I agree to adhere to all Association rules, regulations, policies and procedures as may be applied to the association from time to time, which will include; minimum weights and acceptable behavior from players, parents and coaches. I will abide by the Clearfield city Parents code of ethics:

I will encourage good sportsmanship by demonstrating positive support for all players, coaches, and officials at every game, practice, or other youth sports event.

I will place the emotional and physical well-being of my child ahead of a personal desire to win.

I will insist that my child play in a safe and healthy environment.

I will support coaches and officials working with my child, in order to encourage a positive and enjoyable experience for all.

I will demand a sports environment for my child that is free of drugs, tobacco, and alcohol and will refrain from their use at all youth sports events.

I will remember that the game is for youth - not adults.

I will do my very best to make youth sports fun for my child.

I will ask my child to treat other players, coaches, fans, and officials with respect regardless of race, sex, creed, or ability.
