

Sub-for-Santa Donations

Being Accepted November 10th - December 18th

The Family Connection Center and Clearfield City are accepting donations for the annual Sub-for-Santa program beginning November 10 through December 18 in two locations: the lobbies of the Clearfield City municipal building (Utility Department), 55 S. State Street, and the Clearfield Aquatic & Fitness Center, 825 S. State Street.

The community's help is needed in assisting low-income Davis County families to enjoy a happy holiday season. The Sub-for-Santa program accepts donations of new, unwrapped toys, necessities and gifts for children ages 0 – 17 years, and families. Food donations are also greatly appreciated.

Suggested items for the children and teens are: toys, blankets, new clothing for all age groups, hygiene products, electronics, games, books, sports and camping equipment, school/art supplies and batteries. These items are suggestions – any new items you would like to donate are greatly appreciated. Cash donations are also gladly accepted and will be spent entirely on the children/families.

Families who need assistance to sign up for the Sub-for-Santa program can contact the Family Connection Center at (801) 773-0712. For all other questions please contact Dan Schuler with Clearfield City at (801) 940-2078.

Dear Santa,
How are you? I'm good.
Here is what I want for
Christmas.
